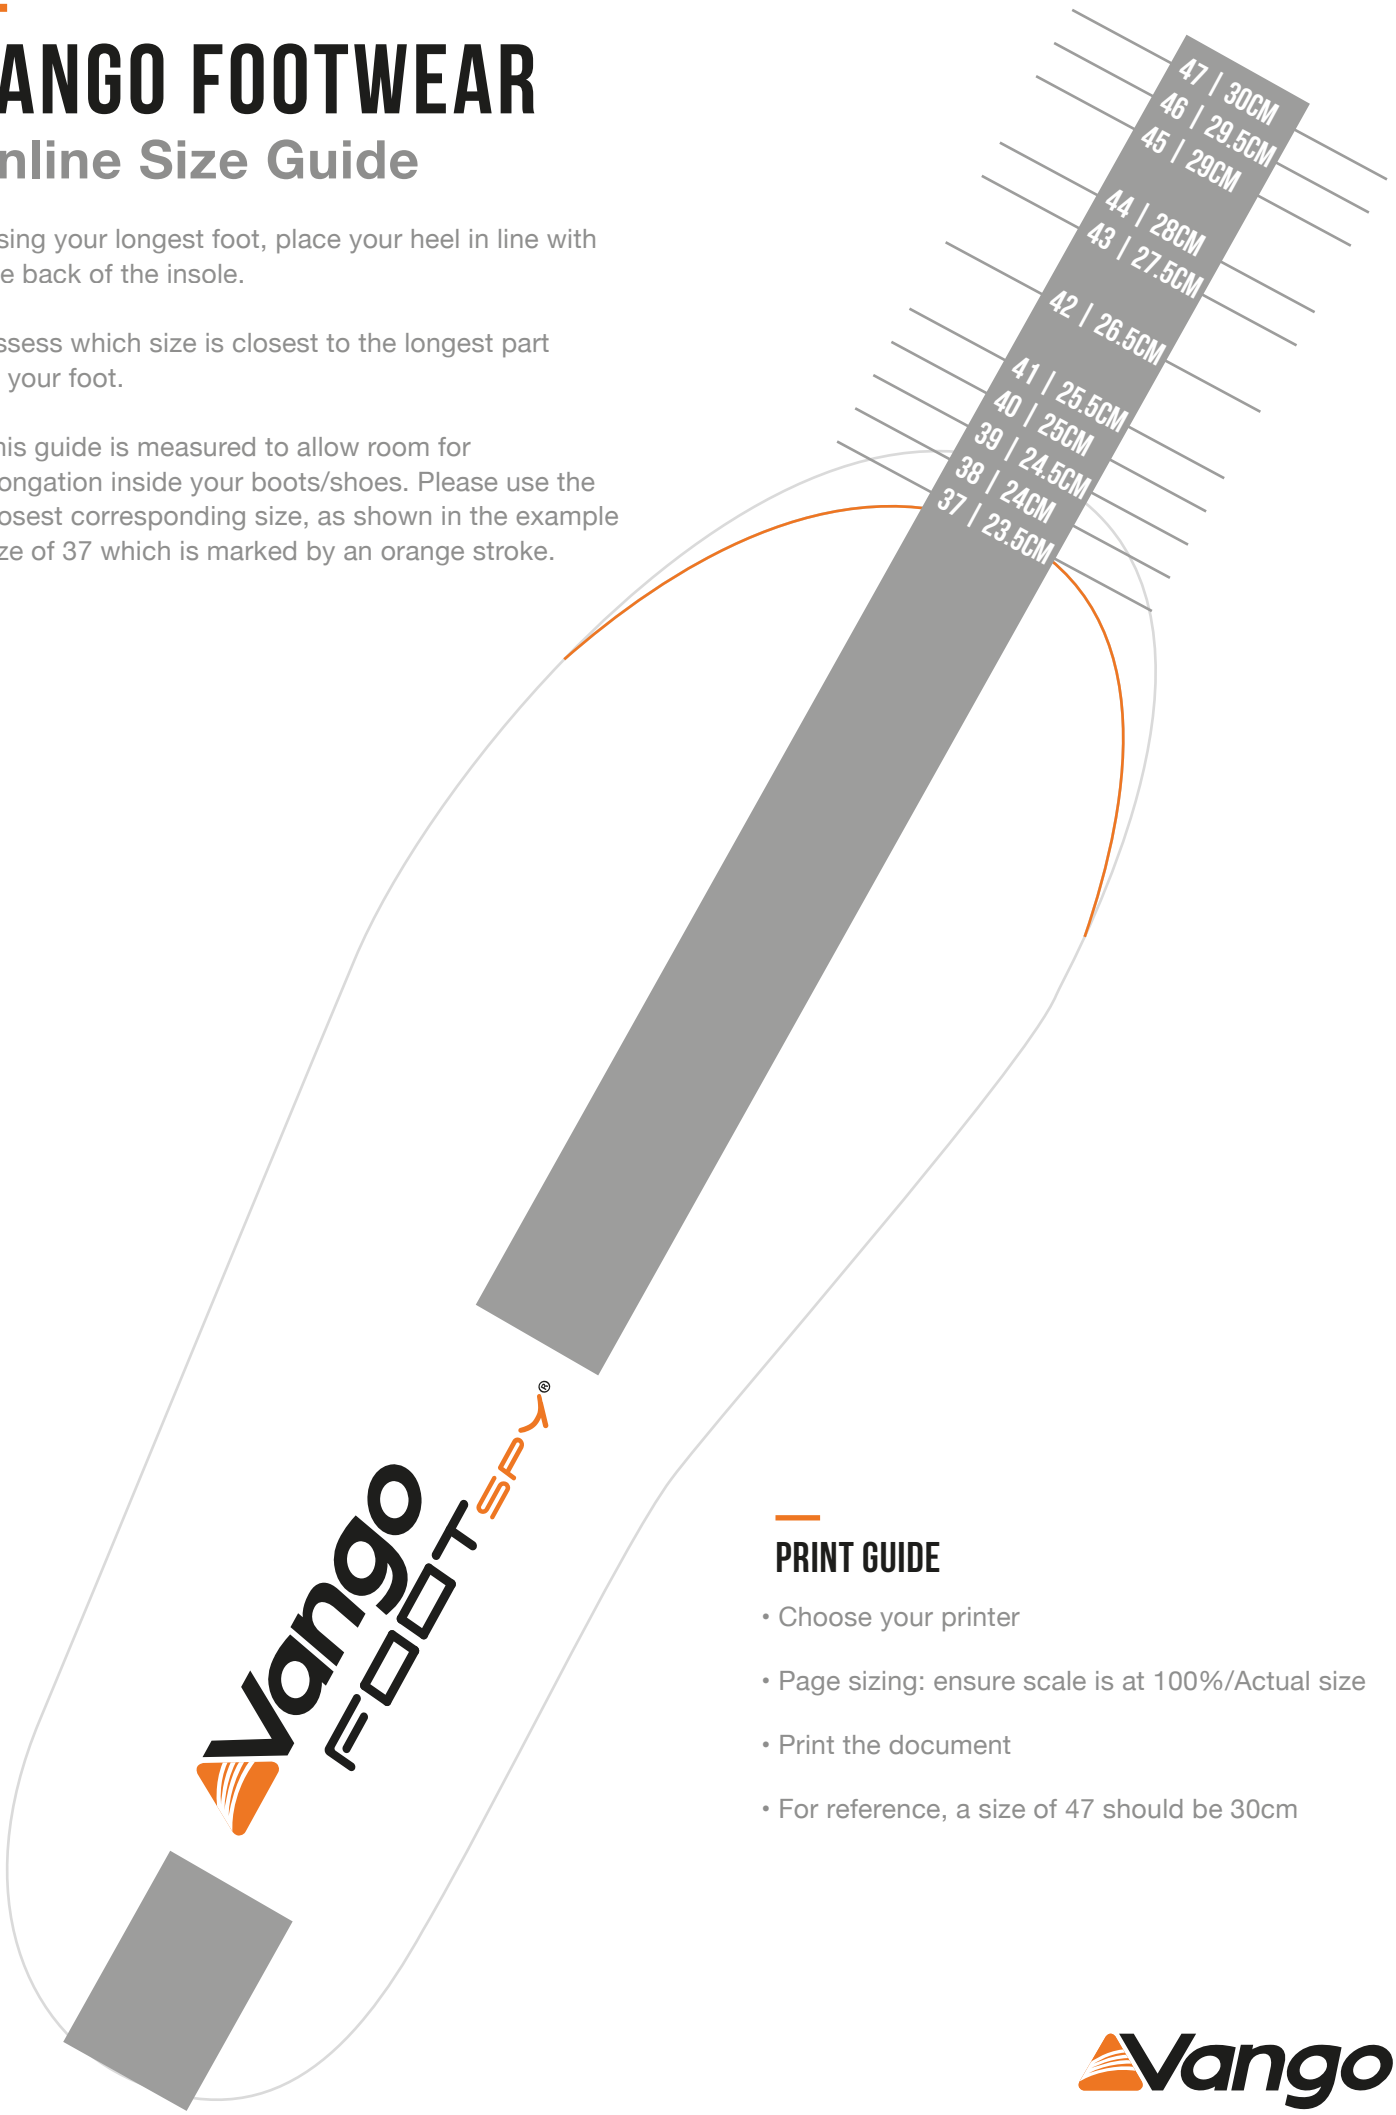
VANGO FOOTWEAR

Online Size Guide

- Using your longest foot, place your heel in line with the back of the insole.
- Assess which size is closest to the longest part of your foot.
- This guide is measured to allow room for elongation inside your boots/shoes. Please use the closest corresponding size, as shown in the example size of 37 which is marked by an orange stroke.



PRINT GUIDE

- Choose your printer
- Page sizing: ensure scale is at 100%/Actual size
- Print the document
- For reference, a size of 47 should be 30cm
